ABOUT US

With its footprint across the globe, Nicro Metals Waste Trading LLC is a name to reckon with in the metal industry for buying and selling of Ferrous and Non-Ferrous metal scrap. Known across the industry circle for its credibility, accurate forecast and transparent dealings, Nicro Metals Waste Trading LLC has set high standard in the industry and is considered a benchmark by its competitors.

Headquartered in United Arab Emirates, our metal is exported to all the countries across the world with majority of our metal being exported from the East Coast of United States and Canada. We ship a lot of materials from European Countries such as Germany, Belgium, France, Italy, Netherlands, Estonia and United Kingdom. Our Global presence combined with a robust and exceptional sales set-up enables us to Asian and South Asian territories such as China, India, Bangladesh and Pakistan as well as both territories in the Far East and Middle East

Our efforts have borne fruit and our company has been lauded for lot exceptional work. We are an award winning company and has grown in every sphere since our inception.

With our dependable and established reputation combined with fair trade practices and work ethics, we are known around the world for being dependable buyers, reliable partners and trust worthy solution providers as our first generation believed in the principle that the key of success begins by fulfilling and honouring commitment and providing dependable services. With the seeds sown and a strong foundation laid down by our father, Late Arif Bhai Bhavnagarwala, our second generation is out there to lead and mark by following his formula for success.
